

Grab a map and discover the Westside Farm Loop!

Breathe in the fresh Okanagan air as you travel through our agricultural areas, discovering what each small family owned farm, vineyard, and nursery has to offer.

Pick seasonal fruits and berries, fill up your basket with honey, organic produce or get your eggs fresh from the farm.

Visit a winery to learn the process of vinification or take a stroll in a hundred year old nut farm where you can harvest nuts!

No matter which place you stop at, you know it will be good for you, as it's the 'Farm Fresh Way' out on the farm loop!

TIPS FOR VISITING ORCHARDS & FARMS

Here are a few helpful tips that should be kept in mind when heading out to visit an orchard or farm:

- Be aware. These are active farms and tractors or equipment may be in use. Stay in designated picking areas and ask before climbing on ladders or equipment.
- Harvest dates vary year to year. Check the farm's websites or social media to keep 'in the loop' as to what is available.
- If you have a cooler, bring it with you so you can keep your fruit and veggies cool.
- Check the farms/fruit stands hours. Some are open 7 days a week while others are only open for a few hours on the weekend.

FARM TO TABLE

These restaurants feature Westside Farm Loop products:

- Modest Butcher at Mt. Boucherie Estate Winery
- Old Vines Restaurant at Quails' Gate Winery
- 19 Okanagan at Two Eagles
- The Terrace at Mission Hill Family Estate
- Off the Grid Organic Winery Food Truck

Also find honey, fresh organic vegetables, food truck fare, wine, eggs and farm to table classes and events along the Westside Farm Loop!
